Create IBM Cloud Account:

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the 'Dashboard' title, a 'Create resource' button, and links for 'Edit dashboard' and 'Upgrade account'. Below this, a 'For you' section offers several guided paths: 'Build' (a large blue box), 'Create an OpenShift cluster' (20 min), 'Explore IBM Cloud Shell' (2 min), 'Get Started with the CLI' (10 min), 'Create a Kubernetes cluster' (20 min), 'An essential guide to Kubernetes' (1 hr), and 'Create an app for' (Recommended). The bottom row features four panels: 'News' with recent announcements, 'Recent support cases' with a 'View all' link, 'Planned maintenance' with a 'View all' link, and 'IBM Cloud status' showing 'No issues' with a green checkmark and a world map visualization.
